SUBJECT: Study of Intelligence Community Civilian Personnel Systems

1. This memorandum forwards a list of potential panelists for a study of Intelligence Community personnel systems that will be conducted by the National Academy of Public Administration (NAPA) in accordance with the Fiscal Year 1988 Intelligence Authorization Act. NAPA compiled the list in consultation with the Intelligence Community and expects to ask five to seven of the potential members to serve on the study panel. [REDACTED]

2. Because of a relatively stringent schedule to meet the interim reporting date of 1 May 1988, NAPA intends to move quickly and hopes to complete final arrangements with panel members during the first week of February 1988. Any comments or observations you may have on the list are welcome and should be passed to me telephonically [REDACTED] for relay to NAPA. [REDACTED]
